

In addition to the instructions:

Use ~~same~~ ^{same} procedures. There should be a standard log on for each subject. The iterations in the game should be logged on ~~to~~ to a file for the experimenter.

at the end of the session each player should get an ~~an~~ accounting viz.

~~The~~ Name May Jones

In Round	you played	you got	(he/she) got
1	Bitchy SMITH	\$ 2.00 2.00	\$ 18.00
2			
:			
:			

total earned \$ ~~xx.xx~~

In a later session there will be an analysis program which accesses the file.
